

## HEADING HOME PARTNERS

### OVERVIEW

Heading Home of South Central Indiana believes in partnering on all our projects and programs. Primary partnerships include:

**South Central Housing Network:** We provide logistical support to SCHN and the SCHN Advocacy Committee. Heading Home's Mary Morgan serves on the SCHN board.

**Built for Zero Core Team:** This region is the first in Indiana to join Built for Zero, a national initiative working with over 100 communities to reduce homelessness. As of 2023, core team members are:

Melissa Burgess, HealthNet  
Forrest Gilmore, Beacon Inc.  
Bob Goodrum, WellSpring  
Mary Morgan, Heading Home  
Emily Pike, South Central Housing Network & New Hope for Families  
Danielle Sorden, Region 10 Coordinated Entry Lead  
Tatiana Wheeler, Heading Home

### HEADING HOME ADVISORY COUNCIL

Heading Home Advisory Council is a board of local community leaders who meet monthly to provide guidance and oversight to this initiative. Current Advisory Council members are:

**Beverly Calender-Anderson**, City of Bloomington Community & Family Resources Dept.  
Director  
**Dan Combs**, Perry Township Trustee  
**Penny Givens**, Monroe County Commissioner  
**John Hamilton**, Bloomington Mayor  
**Tina Peterson**, Community Foundation of Bloomington & Monroe County CEO (co-chair)  
**Emily Pike**, South Central Housing Network Chair  
**Angie Purdie**, Monroe County Board of Commissioners Administrator  
**Randy Rogers**, United Way of Monroe County CEO (co-chair)  
**Efrat Rosser**, Bloomington Township Trustee

## HOUSING SECURITY WORKING GROUP

In 2021, a working group of community leaders was convened by United Way of Monroe County, the Community Foundation of Bloomington and Monroe County, City of Bloomington, Monroe County government, and the South Central Housing Network. The crisis of housing insecurity was even greater during the COVID-19 pandemic, and this working group was charged with developing a strategic plan that led to the creation of Heading Home of South Central Indiana.

NOTE: The affiliations in this list represent the positions of people when they worked on the 2021 working group. In some cases, their affiliations have changed since that time.
